

**IN THE 15TH JUDICIAL CIRCUIT
IN AND FOR PALM BEACH COUNTY, FLORIDA**

**B. & B. PROPERTIES, INC., a Florida corporation,
and on behalf of all others similarly situated,**

CASE NO.:

Plaintiff,

CLASS REPRESENTATION

vs.

PALM BEACH COUNTY, FLORIDA,

Defendant.

_____ /

**CLASS ACTION COMPLAINT FOR DECLARATORY,
INJUNCTIVE, AND MONETARY RELIEF**

PLAINTIFF, on its own behalf and on behalf of all others similarly situated, sues DEFENDANT and alleges as follows:

1. This is a class action for declaratory, injunctive, and monetary relief for which the amount in controversy is in excess of \$15,000.00.
2. Any conditions or prerequisites to the commencement of this action have been waived fulfilled, or excused.
3. Plaintiff has retained the undersigned attorney to represent its interests in this action, and has agreed to pay him a reasonable fee for such services.

THE PARTIES

4. Plaintiff (hereinafter "B&B"), is a Florida corporation which maintains a place of business in Palm Beach County, Florida.
5. The class of similarly situated parties for which B&B proposes to serve as Class Representative is defined as follows: All owners of real property who have been

subjected to the imposition by Defendant of a code enforcement lien (“Offending Owner”) from January 1, 2005 to the date of filing of this lawsuit, which liens include interest charges and/or collection fees (“Putative Class”).

6. Palm Beach County is a Home Rule Charter County, existing under the Constitution of the State of Florida, the laws of the State of Florida, and the Palm Beach County Charter.

THE PALM BEACH COUNTY CHARTER

7. All all times relevant to this lawsuit, Defendant has operated County Government under the authority of the Charter of Palm Beach County, Article I through Article VIII, effective January 1, 1985, as amended (“Charter”).
8. Section 1.1 of the Charter provides . . . “except as may be limited by this home rule charter, [the County] shall have all powers of county self-government granted now or in the future, by the constitution and laws of the state of Florida.” (parenthetical added)
9. Section 1.2 of the Charter provides “nothing in this home rule charter shall override or conflict with state law or the state constitution.”

STATE LAW

10. Florida Statutes, Chapter 162, “Local Government Code Enforcement Board Act”, provides the State law authority for County Code Enforcement.
11. Section 162.02, Florida Statutes, provides:

Intent.—It is the intent of this part to promote, protect, and improve the health, safety, and welfare of the citizens of the counties and municipalities of this state by authorizing the creation of administrative boards with authority to impose administrative fines and other noncriminal penalties to provide an equitable, expeditious, effective, and inexpensive method of enforcing any codes and ordinances in force in counties and municipalities, where a pending or repeated violation continues to exist.

12. Defendant has established an enforcement procedure utilizing Special Magistrates pursuant to Florida Statutes Section 162.03, which provides:

162.03 Applicability.—

- (1) Each county or municipality may, at its option, create or abolish by ordinance local government code enforcement boards as provided herein.
- (2) A charter county, a noncharter county, or a municipality may, by ordinance, adopt an alternate code enforcement system that gives code enforcement boards or special magistrates designated by the local governing body, or both, the authority to hold hearings and assess fines against violators of the respective county or municipal codes and ordinances. A special magistrate shall have the same status as an enforcement board under this chapter. References in this chapter to an enforcement board, except in s. 162.05, shall include a special magistrate if the context permits. (emphasis added)

PALM BEACH COUNTY ORDINANCES

13. The Defendant adopted the Unified Land Development Code (“ULDC”), which provides in Article 1, Chapter A, Section 1., B., the authority for the ULDC:

The Board of County Commissioners (BCC) has the authority to adopt this Code pursuant to Art. VIII, § 1(g), Fla. Const., the PBC Charter, F.S. § 125.01, F.S. § 163.3161, and such other authority and provisions that are established by statute, administrative rule, or common law in the State of Florida.

14. ULDC, Article 10, Enforcement, Chapter A, General, states: “The provisions of this Code shall be enforced by: (i) the Code Enforcement Special Magistrate pursuant to the authority granted by Florida Statutes § 162.01, et seq., as may be amended; . . .” (emphasis added)

15. The undersigned attorney asked the Defendant for the source of authority to add interest and collection fees to code enforcement liens on February 11, 2019 (Exhibit “A”).

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

16. The County Attorney responded for the Defendant on March 28, 2019 (Exhibit "B") and indicated that the authority for interest and collection fees was Chapter 162.09(3), Florida Statutes; Section 55.03, Florida Statutes; and Section 938.35, Florida Statutes.
17. Florida Statutes § 162.01, et seq., does not authorize interest to be charged by Defendant, or County Special Magistrates, on code enforcement fines.
18. Florida Statutes § 162.09(3) allows interest to be charged as the result of a suit by Defendant in the circuit court for a money judgment. F.S. § 162.09(3) states:

(3) A certified copy of an order imposing a fine, or a fine plus repair costs, may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator. Upon petition to the circuit court, such order shall be enforceable in the same manner as a court judgment by the sheriffs of this state, including execution and levy against the personal property of the violator, but such order shall not be deemed to be a court judgment except for enforcement purposes.) A fine imposed pursuant to this part shall continue to accrue until the violator comes into compliance or until judgment is rendered in a suit filed pursuant to this section, whichever occurs first. A lien arising from a fine imposed pursuant to this section runs in favor of the local governing body, and the local governing body may execute a satisfaction or release of lien entered pursuant to this section. After 3 months from the filing of any such lien which remains unpaid, the enforcement board may authorize the local governing body attorney to foreclose on the lien or to sue to recover a money judgment for the amount of the lien plus accrued interest. No lien created pursuant to the provisions of this part may be foreclosed on real property which is a homestead under s. 4, Art. X of the State Constitution. The money judgment provisions of this section shall not apply to real property or personal property which is covered under s. 4(a), Art. X of the State Constitution. (emphasis added)
19. When suit for a money judgment is presented to the Circuit Court regarding a code enforcement order, the resulting judgment may bear interest from the date of the judgment. A judgment under Florida Statutes § 55.03, bears interest at the rate set quarterly by the Chief Financial Officer of the State of Florida ("CFO").

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

20. ULDC, Article 10, does not authorize the County to impose interest on orders entered by Special Magistrates and thereafter recorded as liens in the public records.
21. ULDC, Article 10, does not authorize Special Magistrates to add interest on liens filed against real property that has been found in violation of Palm Beach County Codes.
22. The liens of Plaintiff and Putative Class members have not been reduced to judgments entered pursuant to a lawsuit in Palm Beach County Circuit Court or elsewhere.
23. Palm Beach County imposes interest on code enforcement liens equal to the rate prevalent at the time of imposition of the lien, and does not adjust the rate over time as interest rates fluctuate.
24. Interest rates have fallen dramatically from 2005 to date, resulting in exorbitant interest fees being charged by Defendant to Plaintiff and Putative Class members.
25. Defendant has also charged collection fees to all members of the class, allegedly imposed for collection efforts by Defendant to collect Code Enforcement Liens, interest charges, and other charges imposed against the Putative Class members' and Plaintiff's real property.
26. Florida Statutes do not authorize the imposition of collection fees on code enforcement liens and certainly not on illegally imposed interest charges.
27. The Defendant may charge collection fees paid to a collection agent or collection attorney collecting Court costs. F.S. § 938.31 states:

938.31 Incorporation by reference. – The purpose of this chapter is to facilitate uniform imposition and collection of court costs throughout the state and, to this end, a reference to this chapter, or to any section or subdivision within this chapter, constitutes a general reference under the doctrine of incorporation by reference.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

28. Special Magistrate hearings are not court proceedings and resulting orders are not court costs.
29. There is no state law or other authority for the imposition of collection fees on code enforcement liens.
30. Defendant's practice of charging the maximum collection fees that would be allowed by law for collecting court costs on code enforcement liens is in violation of F.S. § 938.35, which reads:

938.35 Collection of court-related financial obligations. – The board of county commissioners or the governing body of a municipality may pursue the collection of any fees, service charges, fines, or costs to which it is entitled which remain unpaid for 90 days or more, or refer the account to a private attorney who is a member in good standing of The Florida Bar or collection agent who is registered and in good standing pursuant to chapter 559. In pursuing the collection of such unpaid financial obligations through a private attorney or collection agent, the board of county commissioners or the governing body of a municipality must determine this is cost-effective and follow applicable procurement practices. The collection fee, including any reasonable attorney's fee, paid to any attorney or collection agent retained by the board of county commissioners or the governing body of a municipality may be added to the balance owed, in an amount not to exceed 40 percent of the amount owed at the time the account is referred to the attorney or agents for collection.

31. Florida Statutes § 938.35 allows for the collection of valid court costs up to the maximum amount specified in the statute (40%).
32. F.S. §§ 938.31 and 938.35 do not provide authority for collection fees on code enforcement fines or liens.
33. Plaintiff and Putative Class members have all been charged collection fees on invalid debts (those that include interest) in amounts that do not correspond to the effort expended to collect these debts, when the collection fees are not even authorized by law.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

34. Plaintiff and Putative Class members have had interest and collection fees charged and imposed on code enforcement liens filed in the Public Records of Palm Beach County against their real property.
35. Putative Class members fall into the following subclasses:
- a. Property owners who have paid the amount demanded by the County for release of the lien; or
 - b. Property owners who have liens on their properties which have not been released.
36. Putative Class members have been damaged and have suffered losses as a result of:
- a. Negative impact on their credit rating;
 - b. Inability to purchase homes, cars, or other items as a result of poor credit ratings;
 - c. Inability to sell their real property;
 - d. Liens Cross-Attaching to other real property owned by them in Palm Beach County, or real property acquired by them after the imposition of the lien.

CROSS-ATTACHING LIENS

37. Pursuant to F.S. § 162.09(3), the lien for code enforcement violations attaches to all real property of the Offending Owner in Palm Beach County;
- A certified copy of an order imposing a fine, or a fine plus repair costs, may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator. (emphasis added)
38. Defendant also imposes the lien against any property the Offending Owner subsequently acquires in Palm Beach County.

DUE PROCESS REQUIREMENTS

39. Florida Statutes § 162.09(3) provides that code enforcement liens may be released by the local governing body;
- . . . A lien arising from a fine imposed pursuant to this section runs in favor of the local governing body, and the local governing body may execute a satisfaction or release of lien entered pursuant to this section. . . .
40. Florida Statutes § 162.09(2)(c) provides that only the Special Magistrate may reduce a code enforcement fine;
- (c) An enforcement board [Special Magistrate] may reduce a fine imposed pursuant to this section. (emphasis and parenthetical added)
41. Defendant denied B&B and Putative Class members access to the Special Magistrate after the cases were sent to the Collections Department, Office of Financial Management and Budget (OFMB) (“Collections Coordinator”).
42. Defendant’s custom and practice is not authorized by, and is contrary to, § 162.09(2)(c), Florida Statutes. The failure to follow the process set forth in the statute gives rise to this Constitutional Due Process claim because the Defendant’s “policy” does not provide a property owner which has accrued a fine leading to a lien which could result in the owner losing its property (foreclosure) with a proper hearing where it can plead its case before an impartial Magistrate. The Defendant’s custom and policy does not supersede the required statutory process which is necessary to provide property owners with Due Process.
43. Defendant’s “policy” of determining whether the property owner is entitled to a reduction or a hearing for modification of lien before the special magistrate cannot be administratively delegated to the Collection Coordinator who is not required to follow any rules or procedures. The Collections Coordinator has no boundaries and is not

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

restrained by considerations of relevant evidence when recommending the reduction of a fine. The County “policy” places the determination of whether the Offending Owner is allowed access to the Magistrate on a county employee who can be arbitrary.

44. The referral of the Collection Coordinator’s recommendation to the County Commission does not render this process constitutionally sound. The County Commission is not bound to any formal hearing procedure which would allow for the presentation of evidence and legal argument.
45. Chapter 162, Florida Statutes, does not permit the Collections Coordinator, or the County Commission, to reduce the fines. Neither the Collections Coordinator, nor the County Commission has the jurisdiction to consider the reduction of fines.
46. Defendant requires Putative Class members to present their case for modification of a lien to the County Commission at a Regular meeting, not to the Special Magistrate, and limits their presentation to three minutes. Witnesses are not under oath, and Plaintiff cannot cross examine the Collection Coordinator who presents evidence against the modification.
47. Defendant is required to provide Offending Owners with basic Procedural Due Process, including an impartial hearing officer that takes testimony under oath and allows cross examination of adverse witnesses, in the imposition of interest, the interest rate charged, collection fees, and the reduction of the liens under Florida Statutes 162.07(3), which provides:

(3) An enforcement board [Special Magistrate] shall proceed to hear the cases on the agenda for that day. All testimony shall be under oath and shall be recorded. The enforcement board [Special Magistrate] shall take testimony from the code inspector and alleged violator. Formal rules of evidence shall not apply,

but fundamental due process shall be observed and shall govern the proceedings.
(emphasis and parenthetical added)

VIOLATION OF 42 U.S.C. § 1983

48. The Constitution of the United States of America, 14th Amendment, provides:

All persons born or naturalized in the United States and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

49. 42 U.S.C. § 1983 states:

Every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress . . .

50. Defendant has acted under color of state statute, and county ordinance and policies, to deprive B&B and Putative Class members of their property interests. See pars. 1 through 47.
51. The Defendant has denied B&B and the Putative Class members Procedural Due Process of law as required by the 14th Amendment of the United States Constitution, the Constitution of the State of Florida, and Florida Statute 162.01, et seq.
52. Defendant has taken the property of B&B and the Putative Class members without Due Process, in violation of 42 U.S.C. §1983.
53. 42 U.S.C. § 1988(b) provides for the award of attorney fees and expenses for class members' attorney.

CLASS REPRESENTATIVE

54. B&B's property was subjected to a Notice of Violation, Case No. C0503090002, attached as Exhibit "C".
55. B&B's property was adjudicated in violation by a Palm Beach County Special Magistrate on March 1, 2006; copy of order attached as Exhibit "D".
56. A lien against B&B's real property was certified by a Special Magistrate on March 7, 2007 ("Lien"), without notice to B&B and without the opportunity to contest the amount of the lien.
57. The Special Magistrate entered a Lien Certification Order that, for the first time in the proceeding, addressed interest and stated: "This amount shall accrue interest at the rate allowed by law." (copy attached as Exhibit "E").
58. The Special Magistrate did not have the authority to award interest and B&B did not have the opportunity to contest the issue of interest.
59. Defendant prohibited B&B from presenting any issues to the Special Magistrate after the lien was referred to the Collection Coordinator, OFMB, including interest, interest rate, collection fees, and reasons for modification of the lien.
60. The Defendant began to apply interest on the principal amount of the lien on June 30, 2006, and has continued to apply interest to the date of the filing of this lawsuit; as of July 1, 2019, the amount of the interest was \$69,296.19.
61. Defendant applied interest to B&B's property at the rate of 11% and did not change the rate of interest, even as prevailing interest rates fell to approximately 3%.
62. Defendant applied a collection charge to B&B's property in the amount of \$22,658.51. The collection agency did nothing to collect the alleged amounts due from Plaintiff.

- 63. B&B had a principal fine accrued of \$50,600.00. The Defendant acknowledged a partial payment of \$44,761.60, paid on May 25, 2018, and recording fees paid on March 27, 2006.
- 64. Defendant has demanded payment of \$97,858.90 as of July 1, 2019, and refused to release the lien; the lien has continued to accrue at \$4.68 per diem.
- 65. B&B tendered payment to Defendant of the entire remaining principle balance of \$5,904.20 in March 2019. Defendant refused to accept this amount and refused to release the lien.

FLA. R. CIV. P. 1.220

- 66. B&B brings this lawsuit seeking Class Representation under Fla. R. Civ. P. 1.220.
- 67. Based on information gained through Public Records Requests (see, Exhibit "F") there are at least 1,900 property owners affected by the wrongful actions of Defendant. Many properties are owned by numerous persons.
- 68. The joinder of at least 1,900 property owners is impractical.
- 69. Commonality exists with all class members as each Offending Owner is affected by an order of a Special Magistrate finding their property in violation of County Codes and that order is not appealable. Each have been illegally charged interest. Each has been illegally charged collection fees. Each have been denied Procedural Due Process. Each has been damaged as a result of negative credit ratings and the inability to borrow funds. Each has had title to real property affected. The claims of B&B and questions of law and fact are common to question of law and facts of the Putative Class.
- 70. The claims of B&B are typical of the claims of the Putative Class.
- 71. B&B's interests are not antagonistic to other class members.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

72. B&B has hired the undersigned law firm, and B&B and the law firm intend to vigorously pursue this lawsuit.
73. B&B has the necessary resources to vigorously pursue this lawsuit and protect and represent the interests of each member of the Putative Class.
74. The prevailing questions of law and fact in this lawsuit predominate over any question of law or fact affecting individual members.
75. Class representation with regard to this lawsuit is superior to any other available form of relief for the fair and efficient adjudication of this controversy.
76. Putative Class members' claims are maintainable under Fla. R. Civ. P 1.220(b)(1)(A) and (b)(2) and (b)(3).
77. Rule 1.220(c)(2)(B) COMMONALITY. The questions of law and fact that are common to B&B and the Putative Class members' claims include, among other things:
 - a. Did Defendant illegally charge them interest;
 - b. Did Defendant charge them interest at an exorbitant and confiscatory rate;
 - c. Did Defendant illegally charge collection fees;
 - d. Did Defendant deny Offending Owners Procedural Due Process;
 - e. Did Defendant illegally affect their credit rating.
78. Rule 1.220(c)(2)(C) TYPICALITY. The claims advanced by B&B are typical of the claim or defense of each member of the class because B&B has been illegally charged interest and collection fees and has been denied access to the Special Magistrate to seek modification of illegal charges.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

79. Rule 1.220(c)(2)(D)(i) The approximate number of class members is alleged on information and good faith belief to be well more than 1,900. The class is defined in paragraph 5.
80. Rule 1.220(c)(2)(D)(ii) The definition of the alleged class is all owners of real property who have been subjected to the imposition by Defendant of a code enforcement lien from January 1, 2005, to the date of filing of this lawsuit, which liens include interest charges and/or collection fees.
81. Rule 1.220(c)(2)(D)(iii) ADEQUACY. The particular facts and circumstances that show the representative party will fairly and adequately protect and represent the interests of each member of the proposed Class are that B&B's interests completely coincide with, and are not in any way antagonistic to, the interests of the members of the Class B&B seeks to represent. B&B has retained competent counsel and will retain experts as necessary; and intends to prosecute this action vigorously and has the resources to do so. The interests of the Class members will be fairly and adequately protected by B&B, its counsel, and experts.
82. Rule 1.220(c)(2)(E) The facts and circumstances supporting the conclusions required of the Court in determining that the action may be maintained as a class action pursuant to subdivisions (b)(1)(A), or (b)(2) or (b)(3) are set forth in paragraphs 1 through 53 hereof.
83. Rule 1.220(a)(1) NUMEROSITY. The Class members are so numerous that joinder of all is impractical. Although B&B does not currently know the exact number of Class members, it hereby alleges on information and belief based upon diligent search and inquiry, that, as a minimum number, 1,900 property owners are members of the proposed Class.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

84. Rule 1.220(d) NOTICE. The class members may be notified by publication, first class mail and/or email with respect to the pendency of this action, their opportunity to “opt-out” of membership in this Class once certified as proposed herein, and such other things as this Court might determine to be necessary.
85. Rule 1.220(a)(2) PREDOMINANCE OF COMMON QUESTIONS OF LAW AND FACT. Common questions of law and fact exist and predominate among B&B and all members of the Class. These common legal and factual questions are listed above in paragraph 77.
86. Rule 1.220(a)(3) TYPICALITY. B&B’s claims herein are typical of the claims of each Class member. B&B is entitled to identical relief as the other members of the Class [albeit in different liquidated dollar amount for its monetary claim] pursuant to the same causes of action.
87. Rule 1.220(b)(3) SUPERIORITY. Questions of law and fact common to the Class members predominate over questions affecting only individual members, and a class action is superior to other available methods for the fair and efficient adjudication of the controversy. The issues in this litigation involve only the charging of interest, collection fees, and denial of due process to Class members, as described herein, and do not include any other potential individual disputes between putative class members and Defendant.
88. The monetary relief awardable to each Putative Class member is determinable and given the likely extensive litigation necessitated by the Defendant’s uniform pattern of conduct of which each class member complains in this case, the individual prosecution of each Putative Class member’s claim would prove burdensome and disproportionately expensive. It would be virtually impossible for the members of the Class individually to redress effectively the identical wrongs that have been done to each of them. Even if the

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

members of the Class themselves could afford such individual litigation, it would be an unnecessary burden on the courts. Furthermore, individualized litigation presents a potential for inconsistent or contradictory judgments and increases the delay and expense to all parties and to the court system generally. By contrast this class action lawsuit will result in substantial benefits to the litigants and the Court by allowing the Court to resolve numerous individual claims based on a single determination.

89. Rule 1.220(b)(2) INJUNCTIVE AND DECLARATORY RELIEF APPROPRIATE FOR THE CLASS.

Class certification is also appropriate because Defendant has acted and refused to act in ways generally applicable to the Putative Class, making appropriate equitable injunctive and declaratory relief with respect to B&B and the Putative Class members. Specifically B&B and the Putative Class members seek injunctive relief in the form of an injunction requiring [A] withdrawal and rescission of any prior charges for interest or collection fees to B&B or Putative Class members; [B] require Defendant's law firms and collection agencies to certify in writing their compliance with their instructions from Defendant to (i) discontinue any efforts to collect interest or collection fees from B&B and Putative Class members; and (ii) provide proof that they have notified in writing any and all credit bureaus to remove any negative information which they have reported as a result of interest or collection fees and (iii) allow future access to the Special Magistrate for modification of liens on properties that have gained compliance with Defendant's Codes; and [C] order the establishment of a fund to be used for providing a refund of all interest and collection fees to Putative Class members who have paid these charges.

90. B&B and the Putative Class members also seek a declaration from this Court that Defendant's administrative procedure disallowing Offending Owners access to Special

Magistrates for modification of lien hearings is a violation of Florida law and Procedural Due Process required by the United States Constitution and the Florida Constitution, and is a violation of 42 U.S.C. § 1983.

COUNT I - INJUNCTIVE RELIEF (COMMON LAW)

91. B&B and the Putative Class incorporates paragraphs 1 through 90 as if fully restated here.
92. Defendant's unlawful conduct directed toward B&B and the Putative Class has been unrelenting, and it will continue indefinitely absent this Court's injunction preventing its continuation.
93. B&B and the Putative Class have no adequate remedy at law.
94. The public interest will not be harmed by the exercise of this Court's equitable power to enjoin the continued perpetration of Defendant's unlawful acts of which B&B and the Putative Class complain herein, or by further injunctive relief requiring Defendant to stop attempting to collect the interest and collection fees and related penalties which it has already charged to B&B and the Putative Class.

WHEREFORE, B&B and the Putative Class prays for the following relief:

- A. an injunction preventing Defendant from charging interest;
- B. an injunction preventing Defendant from charging collection fees on liens;
- C. an injunction preventing Defendant from denying Putative Class members access to the Special Magistrate;
- D. require Defendant's law firms and collection agencies to certify in writing their compliance with their instructions from Defendant to (i) discontinue any efforts to collect interest or collection fees from B&B and Putative Class members; and (ii) provide proof that they have notified in writing any and all credit bureaus to remove any negative

information which they have reported with respect to interest or collection fees and (iii) allow access to the Special Magistrate for modification of liens on properties that have gained compliance with Defendant's Codes.

COUNT II – 42 U.S.C. § 1983 INJUNCTIVE RELIEF

95. B&B and the Putative Class incorporates paragraphs 1 through 94 as if fully restated here.
96. Defendant was acting under color of state law when engaged in the unlawful conduct described in this complaint, including:
- a. The charging of interest;
 - b. The charging of collection fees;
 - c. Denying B&B and the Putative Class members' Procedural Due Process.
97. Defendant's unlawful conduct has been directed at the Putative Class members, has been unrelenting, and will indefinitely exist absent an injunction issued by this Court.
98. Putative Class members have no adequate remedy at law in that a money judgment requiring a refund of sums illegally collected by Defendant will not prevent Defendant's from continuing to assess improper charges in the future.
99. The public's interest will not be harmed by the exercise of this Court's equitable power to enjoin Defendant's from continuing the illegal acts which Putative Class members have complained of herein.

WHEREFORE, B&B and the Putative Class prays for the following relief:

- A. an injunction preventing Defendant from charging interest;
- B. an injunction preventing Defendant from charging collection fees on liens;
- C. an injunction preventing Defendant from denying Putative Class members access to the Special Magistrate;

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,

Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

- D. require Defendant's law firms and collection agencies to certify in writing their compliance with their instructions from Defendant to (i) discontinue any efforts to collect interest or collection fees from B&B and Putative Class members; and (ii) provide proof that they have notified in writing any and all credit bureaus to remove any negative information which they have reported with respect to interest or collection fees and (iii) allow access to the Special Magistrate for modification of liens on properties that have gained compliance with Defendant's Codes;
- E. Award of reasonable attorney fees and expenses under 42 U.S. C. § 1988(b).

COUNT III – DECLARATORY JUDGMENT (COMMON LAW)

100. B&B and the Putative Class members incorporate paragraphs 1 through 99 as if fully restated here.
101. A present controversy exists between B&B and the members of the Putative Class on the one hand, and on the other hand Defendant, regarding whether Defendant may charge interest and collection fees on code enforcement liens and deny Plaintiffs access to the Special Magistrate.
102. The Declaration sought by B&B and the Putative Class deals with a present, ascertained or ascertainable state of facts and a present and ongoing controversy referable to those facts.

WHEREFORE, the B&B and the Putative Class requests this Court to declare that:

- A. Defendant's imposition of interest on code enforcement liens is illegal;
- B. Defendant's imposition of collection fees on code enforcement liens is illegal;
- C. The imposition of collection fees that bear no relationship to the actual effort made to collect is illegal;

- D. Denying class members the ability to petition the Special Magistrate for modification of liens is illegal.

**COUNT IV – REFUND OF INTEREST AND COLLECTION FEES IMPOSED IN VIOLATION
OF ARTICLE 1, SECTION 18, OF THE FLORIDA CONSTITUTION**

103. B&B and the Putative Class members incorporate paragraphs 1 through 102 as if fully restated here.
104. B&B and each member of the Putative Class have been charged or paid money to Defendant under color of state law for interest and collection fees on code enforcement liens.
105. Defendant had no legal authority to collect or demand the payment of interest or collection fees from B&B or the Putative Class members, and in doing so Defendant has violated Article 1, Section 18, of the Florida Constitution, which provides in pertinent part as follows: “No administrative agency . . . shall . . . impose any other penalty except as provided by law”.
106. Defendant has refused the demands of B&B and the Putative Class members.

WHEREFORE, B&B and the Putative Class members each demand a money judgment against Defendant sufficient in amount to refund, with interest, the interest and collection fees the Defendant has unlawfully collected from B&B and the Putative Class members.

COUNT V – DAMAGES – 42 U.S.C. § 1983

107. B&B and the Putative Class members incorporate paragraphs 1 through 106 as if fully restated here.
108. The actions of Defendant with respect to interest, collection fees, and denying of access to the Special Magistrate deprive B&B and the Putative Class members of their

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

fundamental right to quiet enjoyment of their real property in the lawful conduct of their business and personal use, and to enjoy the profits thereof. That right is protected by Procedural Due Process which is applicable to the states and their agencies and subdivisions through the 14th Amendment of the United States Constitution and the Florida Constitution.

109. Defendant's actions deny B&B and the Putative Class members their rights to real property and adversely affects their access to credit.
110. Imposition of interest, collection fees, and denial of the ability to petition the Special Magistrate for modification, is an abuse of government power of such a magnitude as to raise to the level of a constitutional violation which has caused actual, and not just theoretical, damages to B&B and the Putative Class.
111. The "opportunity" provided by the Defendant to request modification of liens by the County Commission is neither meaningful, full, nor fair. Rather it is merely colorable, and a fundamentally unfair process, and it is unconstitutional because it deprives B&B and the Putative Class members of their right to Procedural Due Process of law as guaranteed to them by the 14th Amendment of the U.S. Constitution and the Florida Constitution.
112. B&B and the Putative Class members have had no real choice other than to pay the amounts which Defendant demands of them when those demands are made, because they cannot wait for months to clear their properties of liens, or challenge them in court individually.

WHEREFORE, B&B and the Putative Class members demand a money judgment against the Defendant sufficient in amount to refund, with interest, unlawful sums collected from the B&B and the Putative Class and such other relief as the Court deems just and proper.

ADDITIONAL PRAYER FOR RELIEF

For the reasons stated above, B&B, on its own behalf and on behalf of the Putative Class, prays for relief as follows:

113. An order certifying the proposed Class under Florida Rule 1.220, appointing B&B as representative for the Class, and appointing undersigned counsel as Class Representation Attorney.
114. Preliminary and Permanent Injunctive relief which:
 - a. Establishes a fund ("Fund") with sufficient money to refund all illegal interest and collection fees which were collected by Defendant, and pay Plaintiff's Class Representation Attorney and experts;
 - b. Establishes a procedure for class members, Plaintiff Class Representation Attorney and experts, to obtain relief, expert witness fees, attorney fees and costs from the Fund;
 - c. Requires Defendant to immediately give written instruction to any law firm or other collection agency which it has engaged to collect interest and collection fees from B&B or members of the Putative Class that:
 - i. All such collection efforts are to immediately and permanently cease and desist with regard to the collection of liens which include interest and collection fees; and
 - ii. All negative information concerning unpaid interest and collection fees with respect to B&B or Putative Class members shall be withdrawn and rescinded from any reports to any credit reporting agencies.

*B. & B. Properties, Inc., a Florida corporation, and on behalf of all others similarly situated,
vs. Palm Beach County, Florida
Class Action Complaint for Declaratory, Injunctive, and Monetary Relief*

115. An order approving the method, manner, and wording of a notice to all class members with an option to “opt out” of the class.
116. Judgment for all damages caused by Defendant’s refusal to refund the interest and collection fees which it has improperly collected from B&B and the Putative Class members.
117. Attorney fees and expenses to the undersigned counsel, and taxable costs payable by Defendant as provided by applicable law;
118. Prejudgment and post judgment interest as provided by law; and
119. Such other relief as the Court deems just, equitable, and proper and as to which B&B and the Putative Class members may demonstrate their entitlement.

JURY TRIAL DEMAND

B&B and the Class demand trial by jury on all claims herein so triable.

Dear Shannon and Glenn:

I represent B. & B. Properties, Inc.

I have enclosed a Statement of Account, dated January 31, 2019, showing \$97,152.22 is due in order to remove the Code Enforcement Lien on the property. I have reviewed the Order of the Special Magistrate, the County Code, and Chapter 162, Florida Statutes. I have been unable to find any authority for the County to charge any interest, the rate to be charged, or any collection agency fees.

Please clarify the County's source of authority for the charge of interest, the rate of interest, and collection fees, as a prerequisite for release of the lien on this property.

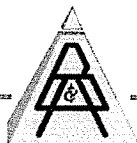

Thank you for your assistance.

Very truly yours,

Subject: RE: B. & B. Properties, Inc.

Gary,

I response to the three questions posed in your February 7, 2019, letter, Section 162.09, Fla. Stat., authorizes the County to impose interest, Section 55.03, Fla. Stat., establishes the amount imposed, and Section 938.35, Fla. Stat. authorizes the County to impose collections fees.

Section 162.09(3) clearly recognizes that the lien accrues interest.

Section 163.09(3):

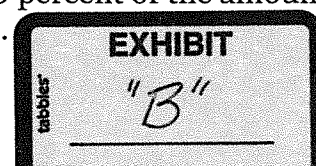

A certified copy of an order imposing a fine, or a fine plus repair costs, may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator. Upon petition to the circuit court, such order shall be enforceable in the same manner as a court judgment by the sheriffs of this state, including execution and levy against the personal property of the violator, but such order shall not be deemed to be a court judgment except for enforcement purposes. A fine imposed pursuant to this part shall continue to accrue until the violator comes into compliance or until judgment is rendered in a suit filed pursuant to this section, whichever occurs first. A lien arising from a fine imposed pursuant to this section runs in favor of the local governing body, and the local governing body may execute a satisfaction or release of lien entered pursuant to this section. After 3 months from the filing of any such lien which remains unpaid, the enforcement board may authorize the local governing body attorney to foreclose on the lien or to sue to recover a money judgment for the amount of the lien **plus accrued interest**. No lien created pursuant to the provisions of this part may be foreclosed on real property which is a homestead under s. 4, Art. X of the State Constitution. The money judgment provisions of this section shall not apply to real property or personal property which is covered under s. 4(a), Art. X of the State Constitution.

Fla. Stat. § 162.09

Section 938.35, Fla. Stat, authorizes the County to include in the amount owed by your client collection fees in an amount up to 40% of the amount owed.

938.35:

Collection of court-related financial obligations.—The board of county commissioners or the governing body of a municipality may pursue the collection of any fees, service charges, fines, or costs to which it is entitled which remain unpaid for 90 days or more, or refer the account to a private attorney who is a member in good standing of The Florida Bar or collection agent who is registered and in good standing pursuant to chapter 559. In pursuing the collection of such unpaid financial obligations through a private attorney or collection agent, the board of county commissioners or the governing body of a municipality must determine this is cost-effective and follow applicable procurement practices. The collection fee, including any reasonable attorney's fee, paid to any attorney or collection agent retained by the board of county commissioners or the governing body of a municipality may be added to the balance owed, in an amount not to exceed 40 percent of the amount owed at the time the account is referred to the attorney or agents for collection.

Interest was calculated on your client's lien pursuant to Section 55.03, Fla. Stat. At the time this order was imposed, the statute provided that the interest rate was fixed at the time of the order rather than yearly as it is currently calculated.

As to your offer to pay the County \$5,904.20 to dispose of your client's lien, the County cannot accept that offer as we feel that interest has been properly imposed on this lien.

What basis does your client believe it has to file suit? I am not seeing any legal basis, but I am curious to hear what theory you are traveling under.

Shannon
